

The Ohio Chapter of the Appraisal Institute  
Presents *Virtually*

## The 43<sup>rd</sup> Annual Economic Seminar

Friday, December 4, 2020, Part 1 – 3 Hours

Friday, December 11, 2020, Part 2 – 4 Hours

The Ohio Chapter's Annual Economic Seminar provides meaningful insights concerning real estate market trends, economic forecasts, valuation issues, and more. This year's seminar will be held virtually and will be split into two (2) days. It will include various members of the financial and appraisal and/or real estate related industries, i.e. economists, hospitality related industries, a keynote speaker, and more. The speakers will discuss some of how COVID-19 has affected these areas, valuation, operations, and beyond.

Each speaker/panel member will have a topic to discuss and then there will be time for comments, questions, and answers.

For more information about the Annual Economic Seminar and other educational offerings, please visit our website at: [aiohio.org](http://aiohio.org).
