## **President's Message**

It has been a productive year for Ohio Chapter of the Appraisal Institute (OCAI)!

I want to thank everyone that attended the 46<sup>th</sup> Annual Economic Seminar on December 1<sup>st</sup> in Dublin, Ohio. We had a great turnout with 181 attendees (129 in person and 52 virtually). I want to thank all of the extremely knowledgeable speakers and panelists who provided meaningful, insightful, and useful information for the

attending appraisal professionals. I also want to thank the Economic Seminar Planning Committee, the Board of Directors, our Sponsors and our Executive Director, Nancy Linton-Hall for their hard work in ensuring we delivered an exceptional Economic Seminar.

Prior to the Economic Seminar, the chapter held its Fourth Quarter Chapter Business Meeting where we installed the new 2024 officers, discussed news impacting the appraisal profession and announced the winners of the 2024 Amy K Kuhn, MAI Memorial scholarship and the 2024 Diversity scholarship. We ended the evening with cocktails and networking. If you are interested in getting more involved in the chapter or would like more information about upcoming events or education, please contact me, Nancy Linton-Hall, or Christian Smith (our 2024 President).

I want to thank the chapter's officers, committee members, and volunteers for their time and hard work this year. And I am grateful that I had the opportunity this year to lead the chapter. I have enjoyed the year and I look forward to what will surely be an amazing 2024.

Happy New Year!
